

Current Awareness Bulletin October 2022

Welcome to the October Current Awareness Bulletin for ICS and Primary Care staff in North Central London. Most of the resources in this bulletin are free to access but some require an OpenAthens login.

NEW! BMJ Best Practice Comorbidities

The Comorbidities Manager has been added to BMJ Best Practice this month. What is it, you ask? It is an addition to the treatment algorithms that takes into account your patients' coexisting conditions, how they interact and how treatment pathways should be adjusted to account for them. If you'd like to see a demonstration of how they work join is for one of our live Teams sessions on Tuesday 11th October 13:15-13:45 or Tuesday 25th 13:15-13:45. Just email ncl.lib@nhs.net for the link!
