

NCL EDUCATION FACULTY: FACILITATION SKILLS WORKSHOP

**THURSDAY 23RD APRIL
14:30-16:30
ISLINGTON CENTRAL HUB
222 UPPER STREET
N1 1XR**

Build confidence to lead small groups and multi-professional teams effectively in Primary Care in a safe and supportive environment

Gain skills to:

- Facilitate small groups using active, inclusive approaches
- Encourage collaboration and shared ownership
- Communicate clearly and listen actively
- Chair meetings confidently and overcome challenges to keep groups focused
- Contribute to effective neighbourhood-level teamwork

This in-person workshop is free to attend for all Primary Care roles who lead, or are preparing to lead, small teams within and across organisations and neighbourhoods.
