

NCL HEALTH & WELLBEING COMMUNITY OF PRACTICE

Bringing together individuals and groups who are interested in development of staff health and wellbeing in primary care.

The NCL Health and Wellbeing Community of Practice aims to support the wellbeing of primary care staff across NCL, providing a platform for collaboration, bringing together individuals and groups already engaged in wellbeing initiatives or those hoping to begin their journey.

By sharing resources, strategies, and best practices, the community seeks to raise awareness and improve access to health and wellbeing activities in primary care.

The group will next meet in May. We welcome you to join us by clicking on the link below.

DATE: Tuesday 13th May

TIME: 11am – 12pm
