# OPPORTUNITIES

## Expression of Interest: IT Training Opportunity for the Nursing Workforce

As part of our ongoing commitment to enhancing professional development, NCL Training Hub are exploring the possibility of providing IT training tailored to meet the needs of our nursing workforce. We are considering the commissioning of training sessions focused on **Microsoft Teams and Outlook**, two essential platforms for effective communication and engagement in the NHS. We recognize that navigating modern communication platforms can be challenging, and we aim to support you in building the necessary skills to thrive in today's digital environment.

To gauge demand before we commission this training, we are collating Expressions of Interest from people interested in attending.

If you're interested in the IT Training Opportunity, please complete the expression of interest form, linked below, by **15 December 2023**.

Submit your EOI here

## **NCL Health and Social Care Careers Fair**

**Thursday 7th March 2024 between 16:30 - 19:00**

Middlesex University we will be running the “Health and Social Care Careers Fair” for the eighth year on Thursday 7th March 2024 between 4.30-7pm and will be targeting pupils from Year 10 upwards from the secondary schools in North Central London (Barnet, Camden, Enfield, Haringey and Islington) and further afield as well as adults who are interested in a career in health and social care.

We are asking a variety of health and social care professionals to be ambassadors for their chosen profession and to talk to the pupils about possible routes into those fields. For example, qualifications/experience they would need, what they love about their jobs, what made them choose the profession as a career, etc.

We would be delighted to have your support exhibiting at this event and feel that it would be a fantastic opportunity for you to talk about the work that you do and to enthuse students and adults to consider a career in this field.

For further information and to express your interest please contact the following:
